## *about*

*For the last two decades Sienna Marina has been proud to accommodate some of the most highly profiled visitors to Woolloomooloo, as a venue we have welcomed prime ministers, singers, actors and other influential people.*

*When it comes to our core however, Sienna Marina is a family owned restaurant that is cosy and friendly; offering a gorgeous view into the wharf and the waters, giving diners the ultimate Sydney experience.*

## *our kitchen*

*While Italian food was, and is our forte, here at Sienna Marina we embrace influences from the Far East, Middle Eastern cuisine and Spanish tapas. During the morning we offer a traditional Australian breakfast, followed by a delicious lunch menu that includes a wide variety of pizzas and pastas.*

## *our bar*

*Our specialised cocktail menu is constantly changing and updating with a roulette of classics and modernized drinks you will not find anywhere else. Whether it be a glass of chilled draft beer or a delightfully spunky cocktail, Sienna Marina is an ideal place to catch up with friends for a drink or the start to a long night.*
